Request for Judgment

Solicitors' Costs..... **£35**

Anyone wishing to proceed with a claim should note that:

- The VAT element of our fee cannot be reclaimed from your debtor
- Interest and compensation may take the debt into a higher banding, with a higher cost
- The costs quoted above are not for matters where enforcement action, such as the Bailiff, is needed to collect your debt.

Our fee includes:

- Taking your instructions and reviewing documentation
- Undertaking appropriate searches
- Sending a letter before action
- Receiving payment and sending onto you, or if the debt is not paid, drafting and issuing claim
- Where no Acknowledgment of Service or Defence is received, applying to the court to enter judgment in default
- When judgment in default is received, write to the other side to request payment
- If payment is not received within 14 days, providing you with advice on next steps and likely costs.

Matters usually take 2-4 weeks from receipt of instructions from you to receipt of payment from the other side, depending on whether or not it is necessary to issue a claim. This is on the basis that the other side pays promptly on receipt of judgment in default. If enforcement action is needed, the matter will take longer to resolve.
